No.	TO	FROM	DATE	COMMENT
1	807	801	29 Aug	<p>1. Do not feel EGL-A indicated this time.</p> <p>2. What is Zipper role in DSZ? At one time they close and Erich Waldman the U.S. Correspondent. Who now running?</p> <p>3. Formerly we spent much time following Zipper role in Veterans Affairs. As Amt Blank came into being this interest faded since Zipper ceased be heart of Mil. Activity.</p> <p>4. Since ZIPPER and Utility charged (example: Newsweek 12 July) with being cradle of postwar militarism, we must continue keep abreast to some extent of trends in Vet Affairs. We may be able to use James as source of such material. <u>Little of it should be forwarded piecemeal to Wash but should be read by the POB staff.</u> Trends, significant items etc. can be forwarded.</p> <p>4. I'm sure our files contain much on DSZ. Also, after study of files, a discussion with such people as Merker, Foertsch etc. should be directed into such channels. I feel that Merker's main task today is keeping track of military circles since case officers concerned are still under his direction.</p> <p style="text-align: right;">MMW MLW</p>
2	839	807	7 Sept 54	<p>Will continue to discuss with MERKER.</p> <p>Believe COM and KUBARK PIPIT program can furnish us considerable info on German Veterans groups + activities - James also can contribute locally.</p> <p style="text-align: right;">807</p>
801	839	13 Sept 54	New or later Charles Mager will be able to contribute info on this.
